

REMARKS**Notice of Drawing Inconsistency with Specification**

An Office communication dated April 16, 2004 states that:

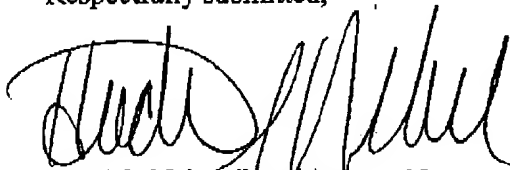

"The drawings filed May 29, 2002 have been received. However, an inconsistency exists between the drawings and the Brief Description of the Drawings in the Specification.

"Figures 1A, 4D are contained in the Drawings but not listed in the Brief Description of the Drawings in the specification."

The Brief Description of the Drawings has now been amended to include the descriptions for Figures 1a and 4d.

It is not believed that any outstanding issues now exist and that the previous Notice of Allowance remains in force. No fees are due at this time, however any deficiency or overpayment should be charged or credited to Deposit Account 26-0084.

Respectfully submitted,
